

How to Find Us

Our teaching and equipment facility is located in the Shadwell Basin activity centre and we teach our pool sessions at St George's Pools, The Highway, London, E1. There is car parking at the pool and at the school which are approximately 1 mile from the Tower of London. The pool is also served by the 100 bus out of Liverpool Street and the local station is Shadwell on the East London Line and Docklands Light Railway (one stop from Bank).
